When a tariffed service purchased under a term contract is disconnected prior to the expiration

All BellSouth marks contained herein are owned by BellSouth Intellectual Property Corporation.

date as a result of a Subscriber's purchase of AIS, termination liability charges for the existing service will not apply when:

- a. The contract period of the new AIS service equals or is greater than the remaining term of the Subscriber's existing contract, and
- b. The rates paid by the Subscriber for AIS service are equal to or greater than the rates paid by the Subscriber for its existing service, and
- c. The service orders to install the new AIS service and disconnect the Subscriber's existing service are related together and there is no lapse in service between disconnection of the existing service and installation of the new service, and
- d. AIS service is purchased for the same Subscriber location.

Promotion Restrictions/Eligibility Requirements

- This offer excludes customers currently under contract for AIS service unless they are within 6 months of contract expiration.
- Customers can qualify for this offer for each AIS circuit they purchase.
- No maximum reward.
- Customer must purchase an AIS with a minimum 24 month agreement to qualify for this promotion. Customer must have a minimum of 6 lines and a maximum of 22 lines.
- Orders must be placed between 5/1/07 and 12/31/07.
- Customer must remain with AT&T through the life of their term agreement
- Termination Liability: Customer is responsible for 50% of the total monthly charges that would have become due for the remainder of the term.

The AIS Termination Liability language is being changed to the following:

In the event a AT&T Integrated Solutions Subscriber requires due to business needs a voice or data/Internet option that exceeds the capacity of the AIS service and the Subscriber disconnects the AIS service prior to the expiration of the minimum service term as the result of Subscriber's purchase of an AT&T voice or data/Internet service or solution, termination liability charges for the existing AIS service will not apply when:

- a. The contract period of the new AT&T service or solution equals or is greater than the remaining term of the Subscriber's existing AIS contract, and
- b. The rates paid by the Subscriber for the new AT&T service or solution are equal to or greater than the rates paid by the Subscriber for its existing AIS service, and
- c. The service orders to install the new AT&T service or solution and disconnect the Subscriber's existing AIS service are related together and there is no lapse in service between disconnection of the existing AIS service and installation of the new AT&T service or solution, and
- d. The new AT&T service or solution is purchased for the same Subscriber location.

- This promotion cannot be combined with other offers
- Out of Region customers are not eligible for this promotion.
- This promotion can be modified or terminated any time after Commission notice.
